

GleenGlass® LLC Glass Panel One-Year Limited Warranty

GleenGlass LLC warrants that GleenGlass manufactured products will be free from defect for a period of one-year from date of original purchase. Defect is defined as a shortfall in the product to perform to GleenGlass specifications as disclosed in product literature, within industry allowable tolerances as set forth in standard, national industry protocols. This one-year limited warranty is the sole warranty extended and replaces any statutory warranties to the maximum extent allowable by law. Customer misuse including negligence, physical, or chemical abuse is not covered by this warranty. Installation faults and defects are not covered by this warranty. All warranty claims must be reported immediately. Failure to report any warranty claim within 30 days of defect discovery will void this warranty. All products must be inspected prior to installation. Visual defects or nonconformities apparent prior to installation voids this warranty.

Glass panels are subject to variation in technical specifications due to inherent variability in the recycled materials and production process. Express technical specifications are not guarantees of minimum or maximum thresholds of performance. Local building codes may dictate minimum performance specifications. No warranties apply to material installed in leased, rented, or commercial property(s). GleenGlass does not warrant product installed in violation of building codes. Photographic color images may not be an exact product match.

IMPLIED WARRANTIES LIMITED IN DURATION

Any implied warranty applicable to the product sale, including the implied warranty of merchantability or the implied warranty of fitness for a particular purpose is limited in duration to the duration of this written warranty or the maximum statutory period, whichever is less. Some states do not allow limitations on implied warranty duration, so the above limitation may not apply to you. The Federal Magnuson-Moss Warranty Act limits disclaimers of implied warranties involving consumer products. To the maximum extent allowable by federal and state law, this warranty supplements or supercedes federal and state consumer goods warranty protections.

IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE

Buyer/Owner must determine suitability of the material for any use. We cannot be held liable in any cause of action resulting from material use in any form. GleenGlass LLC makes no warranty of suitability or fitness for any particular use. Products inherently lack uniformity and are subject to variations in aesthetics, color, shade, finish, tint, dimension, weight, surface, etc. Any samples submitted are with the understanding that these qualities are inherent in the nature of the product and are not considered defect.

REMEDY LIMITATION & DISCLAIMER

If a defect in materials is discovered within the one-year period, GleenGlass LLC will either refund the price of the product or provide a replacement product after a reasonable number of attempts to remedy product defects. Buyer remedy is limited to replacement or repair of the defective product. No consequential (including lost profits), de-installation, re-installation or incidental damages are recoverable. GleenGlass LLC disclaims all express warranties not contained in this limited express warranty. Any representations made in connection with the sale of this product that differs from the terms of this warranty are not valid and should be brought to the attention of GleenGlass LLC immediately (1-360-882-0629).
